Oh Uganda! May God uphold thee
We lay our future in thy hands
United free, For Liberty
Together we'll always stand

Oh Uganda! The land of freedom
Our love and labour we give
And with neighbors all
At our country's call
In peace and friendship we'll live

Oh Uganda! The land that feeds us
By sun and fertile soil grown
For our own dear land
We'll always stand
The Pearl of Africa's Crown.

1:0 Introduction

I warmly welcome you all to MTAC Nakawa and to this function in particular. MTAC is privileged to hold the 10th Graduation Ceremony, in which we celebrate the tremendous success of 802 graduands who completed their studies in different fields of study. Of the 802 graduands, 544 are females (68%) while the males account for 258 (32%). As MTAC, we are proud of the success registered by these graduands.

Last Friday 15th March 2024, we celebrated 127 graduates 89 (70%) Female and 38 (30%) Male from MTAC Ntungamo and MTAC Mbarara in a function held at our baby Campus in Ntungamo at Kahunga. It is gratifying to note that MTAC Ntungamo is the first MTAC Outreach Centre to own a permanent home. This is the MTAC Ntungamo. Kahunga Campus which is scheduled to be officially opened later this year. Congratulations to all the stakeholders through whose efforts this facility has become a reality.

2:0 MTAC Strides FY 2023/24

OUR DEAR CHIEF GUEST,

This year's Graduation Theme is "Promoting Enterprise Development through Skills Training". Further to the theme, allow me highlight some of the major achievements that were registered by MTAC since start of this financial year:

a) **Job Creation Training:** This programme is being offered at no cost to organised youths and women in all regions of this country. To date, 7,690 youths and women have benefited from this program. The overall purpose for this programme is to enhance the entrepreneurial ability of the beneficiaries. The beneficiaries are sensitized about job creation and equipped with skills in making different products including but not limited to: pavers, candles, sanitary pads, exercise books, soap (bar soap and liquid soap), bakery products, saloon products (jelly, shampoo etc), charcoal briquettes among others. This programme also supports organised groups in value addition for instance making wine among others. This programme has been widely appreciated by the recipients and the requests from the population for this programme are overwhelming. This programme would play a significant role in the realization of planned development through the Parish Development model. We have appealed to Parliament to allocate at least UGX 25.8Bns to enable us train at least 100 participants per constituency in Uganda. This would translate into 23,800 entrepreneurs. This money would enable us to equip each of the trained participants with a startup tool kit and ultimately increase productivity.

b) **Outreach Development:** MTAC has continued to operate 5 outreach centres across the country. These include: Mbarara, Ntungamo, Luweero, Iganga and Mbale. These Centres have been systematically operationalized in close collaboration with Local Government officials and the business community.

c) **Infrastructural development:** We have completed 90% of construction of a permanent home for MTAC Ntungamo on the institutional land. The MTAC Ntungamo, Kahunga Campus is planned

to be handed over to the client by the contractor not later 30th May 2024. We plan to officially open this new home at a later date that will be communicated to all the stakeholders.

Our partners at the Ministry of Works are finalizing the designs of MTAC Mbale and construction of this Centre is planned to commence in the FY 2024/25.

d) **Improvements in the Vocational Training Infrastructure:** With acquisition of vocational equipment, MTAC has extended vocational training to centres in Mbale, Iganga and Ntungamo. MTAC has also extended vocational training to Bukwo and Kitgum districts.

The enrollment for vocational courses has more than doubled. This is attributed to the decentralization of these courses at MTAC Centres, attraction of partners especially Program for Accessible Health Communication and Education (PACE), Sisters of Hope International (SOHI), Centre for Community Development Initiative (CCDI), Johanet Vocational Institute (JVI), Love A Friend Initiative, Federation of Kampala Hawkers and Vendors Association, Jesuit Refugee Service, Compassion Uganda, Kairos International, Meeting Point, Chesire Uganda Ltd, Kampala Area Federation of Communities, WasteAid, Uganda Tailors Association among others. The increased enrollment for vocational courses points to a positive change in attitude towards vocational training that the country is currently experiencing.

3:0 Appreciation

During the FY 2023/204, MTAC posted significant achievements. These achievements are essentially attributed to the team work featuring several stakeholders, including the oversight Ministry, Local Government Authorities, Management and Staff as well as our esteemed clients across the Country.

I wish therefore, on behalf of my colleagues, to express our gratitude to:

- a) Government of the Republic of Uganda for creating and enabling environment that promotes training and skills development;
- a) Hon. Mwebesa Francis, Minister of Trade, Industry and

Cooperatives and his colleagues, Hon. Bahati David Minister of State for Industry, Hon. Ntabazi Harriet, Minister of State for Trade and Hon. Ngobi Frederick Gume, Minister of State for Cooperatives for effectively playing the oversight role in superintending over MTAC to implement its mandate;

b) The technical team at the Ministry of Trade, Industry and Cooperatives led by the Permanent Secretary, Ms. Geraldine Ssali for the tremendous support and wise counsel extended to MTAC, especially in the FY 2023/2024;

c) The technical team at the Ministry of Works and Transport. The team developed the Architecture designs for this magnificent structure and have tirelessly supervised the Contractor up to where it is. As Management, we cannot take their availability for MTAC's work for granted and we shall be eternally grateful;

d) The Local Government Officials of the different districts from which MTAC has executed its mandate. These have extended immense support to MTAC which enabled our continued smooth operations;

e) All my predecessor Executive Directors for the contribution made in the development of MTAC particularly Prof George Tumwesigye and his team who oversaw the establishment of MTAC Centres;

f) Management and Staff for playing the role of shepherds for these graduands and for their continued loyalty, commitment and dedication in implementing MTAC's Strategic Plan.

For all the successes, please thank this team that I work with, and for all the shortcomings, the blame is entirely mine;

g) Parents, guardians/ sponsors for supporting the graduands up to this day;

h) Guild leaders, past and present, from MTAC Nakawa and all our Outreach Centres for the supportive role given to Staff and Management in managing students' affairs;

i) Uganda Business and Technical Examinations Board (UBTEB) for the award of Diplomas and Certificates for some of these graduands;

j) MTAC Graduation Committee for successfully organizing this

function;

- k) All the Alumni of MTAC for loving and supporting MTAC;
 - l) All the suppliers and contractors of MTAC for their timely supplies, particularly KWED Construction for not abandoning the site at MTAC Ntungamo from the time we handed over the site to you;
 - m) All MTAC partners, especially Program for Accessible Health Communication and Education (PACE), Solid Rock Group (SRG), Brac Micro Finance, Sisters of Hope International (SOHI), Gal Forum International (GAFI), Centre for Community Development Initiative (CCDI), Johanet Vocational Institute (JVI), Micro Finance Support Centre (MSC), Uganda Small Scale Industries Association (USSIA), Love A Friend Initiative, Federation of Kampala Hawkers and Vendors Association, Jesuit Refugee Service (JRS), Compassion Uganda (CU), Kairos International (KI), Meeting Point (MP), Chesire Uganda Ltd, Kampala Area Federation of Communities (KAFOC) among others who have enabled MTAC to execute its mandate;
 - n) The Academic Registrar and team; I am glad to inform you all that some of our graduands today have already picked their transcripts and those who have not, can pick their transcripts anytime. I wish to commend UBTEB, the Academic Registrar and the entire team for working tirelessly towards production of these documents in time. I call upon all Ugandans to support MTAC in whatever way possible, including demanding and utilizing the quality entrepreneurial skills programs offered by the centre.
- Last but not least, the graduands. I am proud of you. You worked hard for this success. Please enjoy the day.

4:0 Appeal

OUR DEAR CHIEF GUEST,

Management appreciates your availability to preside over this function. Through you sir, convey our appreciation to your predecessors for the role-played in agitating for support to MTAC. Their efforts towards enhancing the allocation of funds to MTAC to address the dire needs of the Centre yielded some positive results. The MTAC subvention was enhanced from the traditional UGX 100m per year to

UGX 880m per year. Nevertheless, this subvention is still too low to support the Centre. Therefore, we appeal to you for continued support for the following unfunded priorities:

1. Increase wage subvention from the current UGX 880m per year to at least UGX 1.5bns per year. This would enable the Centre to even pay the outstanding arrears, particularly the Part time Staff.
2. Funding for retooling of MTAC Ntungamo.
3. Funding for construction of a permanent home for MTAC Mbale.
4. Funding for the proposed Job Creation Awareness Training and Development and; Skills Development through Training and Establishment of Common User Facilities (Incubation Centres) In MTAC Regional Centres project. The total project cost is UGX 25.8bns over a span of 5 years.

5:0 Message to the Graduands

Dear Graduands,

There are far, far better things ahead than any we leave behind. The future belongs to those who believe in the beauty of their dreams. I am here to tell you that whatever you think your dream is now, it will probably change. And that's okay. Education is our passport to the future, for tomorrow belongs to the people who prepare for it today. Decide to ground yourself in values that last, like honesty, hard work, responsibility, fairness, generosity, and respect for others. Shun behaviors that embarrass humanity like homosexuality and lesbianism. If you have not, it is time to chase every dream, accept every challenge, strive for greatness, honor every promise, and recommit to your community. No matter what happens in life, be good to people. Being good to people is a wonderful legacy to leave behind. Savor the taste of your triumphs today, don't just swallow them all whole without digesting what is actually happening here. Look down over what you conquered and appreciate what God has brought you through.

I am really proud of your Class of 2024, and I cannot wait to see all your accomplishments in the next chapter. Congratulations to you all on

your graduation. All of your hard work and perseverance have led you to this proud moment in your lives. Best wishes on your next adventure!

Thank you, parents, guardians and sponsors, for choosing MTAC, thank you graduands for choosing to study at MTAC and thank you dear guests for gracing our 10th Graduation Ceremony. MTAC will always be privileged to serve you.

6:0 Conclusion

Finally, I wish to appreciate the efforts of ministry officials particularly yourself, your colleague ministers and the technical staff in providing oversight and strategic guidance to us. This has kept us focused as an Institution and the evident growth signs are attributed to your immense support. May the Almighty God continue to bless you and your entire team abundantly

I wish you success as proud alumnus of MTAC.
For God and My Country!!!

MESSAGE FROM THE ACADEMIC REGISTRAR

It is our pleasure on behalf of Management and staff of MTAC to welcome, our highly esteemed guests, families, guardians, friends, sponsors and above all our Graduands, to this memorable day and a milestone achievement in the lives of each one of us. It has been an atmosphere of excitement since this graduation announcement was made and this excitement has been about all of us represented here today. Congratulations!

We take this opportunity to thank Management, teaching and non-teaching staff for all the support that has made this day and dreams come true. Our dear parents/guardians are acknowledged for their never ending support. May God richly reward you.

Today as we celebrate each one of you and your individual academic achievements, it is the time when all those sleepless nights and hard work are rewarded and become worth all the effort. The discomfort and challenges that came along with this journey have made you a more stronger and confident person that you are today.

As MTAC fraternity we are so very proud of you. We are honoured to observe that these graduands, who came here one year or two years ago, some of them looking young and timid, have been groomed into responsible citizens, some already employed, while others are ready to face the world of work., We appreciate every form of contribution that was made that has made this celebration possible.

Congratulations once again and wishing you God's blessings.

Leaders present,
Officials from Government
Ministries, Departments and
Agencies present,
Distinguished Guests and
Partners present,
Esteemed Parents and
Graduands,
Members of the Media Fraternity,
Ladies and Gentlemen.

1:0 Introduction

I warmly welcome you all to MTAC Ntungamo, Kahunga Campus and to this function in particular. MTAC is privileged to hold the 10th Graduation Ceremony in which we celebrate the tremendous success of 127 graduands who completed their studies in different fields of study. Of the 127 graduands, 89 are females (70%) while the males account for 38 (30%). As MTAC, we are proud of the success registered by these graduands.

1:1 Key milestones in the development of MTAC Ntungamo

Start date: January 15, 2014.
Location: We started our operations in the premises of Singa Foundation for Development. We shortly after relocated to New Junction House where MTAC is currently operating from. At the time we located to that area, the area was dull, neglected with no business activity. It is gratifying to note the area is now a bee hive of business activities, a sign of growth.

MTAC Ntungamo is the first MTAC Outreach Centre to own a permanent home. This is the MTAC Ntungamo Kahunga Campus hosting us today. Congratulations to all the stakeholders through whose efforts this facility has become a reality.

Enrolment: Opened with one student by names of Ainebyoona Onesmas who pursued a Diploma in Public Administration and Management. Three weeks later, Onesmas was joined by two students that is Tukashaba Primrose and Ashaba Aggrey. Currently, the enrollment at MTAC Ntungamo stands at 184 students. We expect this number to more than double with the improvement in facilities that you are witnessing at Kahunga.

Staffing: MTAC Ntungamo started operations with four (4) staff who were more of volunteers. These were: 1. Mr. Tusiime Dennis (who worked as a Centre Co-ordinator); 2. Mr. Nayebare Naboth; 3. Mr. Turinawe Ibrahim and; 4. Ms. Nasaasira Immaculate. The number of staff employed by MTAC Ntungamo on full and part time arrangement has since grown to 17 members.

2:0 Appreciation

During the FY 2023/204, MTAC posted significant achievements. These achievements are essentially attributed to the team work featuring several stakeholders, including the oversight Ministry, Local Government Authorities, Management and Staff as well as our esteemed clients across the Country.

I wish therefore, on behalf of my colleagues, to express our gratitude to:

- a) Government of the Republic of Uganda for creating and enabling environment that promotes training and skills development;
- a) Hon. Mwebesa Francis, Minister of Trade, Industry and Cooperatives and his colleagues, Hon. Bahati David Minister of State for Industry, Hon. Ntabazi Harriet, Minister of State for Trade and Hon. Ngobi Frederick Gume, Minister of State for Cooperatives

effectively playing the oversight role in superintending over MTAC to implement its mandate;

b) The technical team at the Ministry of Trade, Industry and Cooperatives led by the Permanent Secretary, Ms. Geraldine Ssali for the tremendous support and wise counsel extended to MTAC, especially in the FY 2023/2024;

c) The technical team at the Ministry of Works and Transport. The team developed the Architecture designs for this magnificent structure and have tirelessly supervised the Contractor up to where it is. As Management, we cannot take their availability for MTAC's work for granted and we shall be eternally grateful;

d) The Local Government Officials of MTAC Ntungamo and the surrounding districts for the enthusiasm and support extended to MTAC enabled continued smooth operations of MTAC's interventions;

e) All my predecessor Executive Directors for the contribution made in the development of MTAC particularly Prof George Tumwesigye and his team who oversaw the establishment of MTAC Centres including MTAC Ntungamo whose success we are celebrating today;

f) Management and Staff for playing the role of shepherds for these graduands and for their continued loyalty, commitment and dedication in implementing MTAC's Strategic Plan. For all the successes, please thank this team that I work with, and for all the shortcomings, the blame is entirely mine;

g) Parents, guardians/ sponsors for supporting the graduands up to this day;

h) Guild leaders, past and present, from MTAC Ntungamo and Mbarara Centres for the supportive role given to Staff and Management in managing students' affairs;

i) Uganda Business and Technical Examinations Board (UBTEB) for the award of Diplomas and Certificates for some of these graduands;

- j) MTAC Graduation Committee for successfully organizing this function;
- k) All the Alumni of MTAC Ntungamo and Mbarara for loving and supporting MTAC;
- l) All the suppliers and contractors of MTAC for their timely supplies, particularly KWED Construction for not abandoning the site from the time we handed over the site to you;
- m) All MTAC partners, especially Program for Accessible Health Communication and Education (PACE), Solid Rock Group (SRG), Brac Micro Finance, Sisters of Hope International (SOHI), Gal Forum International (GAFI), Centre for Community Development Initiative (CCDI), Johanet Vocational Institute (JVI), Micro Finance Support Centre (MSC), Uganda Small Scale Industries Association (USSIA), Love A Friend Initiative, Federation of Kampala Hawkers and Vendors Association, Jesuit Refugee Service (JRS), Compassion Uganda (CU), Kairos International (KI), Meeting Point (MP), Chesire Uganda Ltd, Kampala Area Federation of Communities (KAFOC) among others who have enabled MTAC to execute its mandate;
- n) The Academic Registrar and team; I am glad to inform you all that some of our graduands today have already picked their transcripts and those who have not, can pick their transcripts anytime. I wish to commend UBTEB, the Academic Registrar and the entire team for working tirelessly towards production of these documents in time. I call upon all Ugandans to support MTAC in whatever way possible, including demanding and utilizing the quality entrepreneurial skills programs offered by the Centre.
- Last but not least, the graduands. I am proud of you. You worked hard for this success. Please enjoy the day.

3:0 MTAC Strides FY 2023/24

OUR DEAR CHIEF GUEST,

This year's Graduation Theme is "Promoting Enterprise Development through Skills Training". Further to the theme, allow me highlight some of the major achievements that were registered by MTAC

since start of this financial year:

- a) Job Creation Training: This programme is being offered at no cost to organised youths and women in all regions of this country. To date, 7,690 youths and women have benefited from this program. The overall purpose for this programme is to enhance the entrepreneurial ability of the beneficiaries. The beneficiaries are sensitized about job creation and equipped with skills in making different products including but not limited to: pavers, candles, sanitary pads, exercise books, soap (bar soap and liquid soap), bakery products, saloon products (jelly, shampoo etc), charcoal briquettes among others.
 - b) This programme also supports organised groups in value addition for instance making wine among others. This programme has been widely appreciated by the recipients and the requests from the population for this programme are overwhelming. This programme would play a significant role in the realization of planned development through the Parish Development model. We have appealed to Parliament to allocate at least UGX 25Bns to enable us train at least 100 participants per constituency in Uganda. This would translate into 23,800 entrepreneurs. This money would enable us to equip each of the trained participants with a startup tool kit and ultimately increase productivity.
 - c) Outreach Development: MTAC has continued to operate 5 outreach centres across the country. These include: Mbarara, Ntungamo, Luweero, Iganga and Mbale. These Centres have been systematically operationalized in close collaboration with Local Government officials and the business community.
 - d) Infrastructural development: We commenced on the construction of a permanent home for MTAC Ntungamo on the institutional land. The MTAC Ntungamo, Kahunga Campus is planned to be handed over to the client by the contractor not later 30th June 2024. We plan to officially open this new home at a later date that will be communicated to all the stakeholders.
- Our partners at the Ministry of Works are finalizing the designs of

MTAC Mbale and construction of this Centre is planned to commence in the FY 2024/25.

e) Improvements in the Vocational Training Infrastructure: With acquisition of vocational equipment, MTAC has extended vocational training to centres in Mbale, Iganga and Ntungamo. MTAC has also extended vocational training to Bukwo and Kitgum districts. The enrollment for vocational courses has more than doubled. This is attributed to the decentralization of these courses at MTAC Centres, attraction of partners especially Program for Accessible Health Communication and Education (PACE), Sisters of Hope International (SOHI), Centre for Community Development Initiative (CCDI), Johanet Vocational Institute (JVI), Love A Friend Initiative, Federation of Kampala Hawkers and Vendors Association, Jesuit Refugee Service, Compassion Uganda, Kairos International, Meeting Point, St. Peters Naguru Child Development Centre, Hands for Hope, Chesire Uganda Ltd, Kampala Area Federation of Communities, WasteAid, Uganda Tailors Association among others. The increased enrollment for vocational courses points to a positive change in attitude towards vocational training that the country is currently experiencing.

4:0 Appeal

OUR DEAR CHIEF GUEST,

Management appreciates your availability to preside over this function. Through you sir, convey our appreciation to your predecessors for the role-played in agitating for support to MTAC. Their efforts towards enhancing the allocation of funds to MTAC to address the dire needs of the Centre yielded some positive results. The MTAC subvention was enhanced from the traditional UGX 100m per year to UGX 880m per year. Nevertheless, this subvention is still too low to support the Centre. Therefore, we appeal to you for continued support for the following unfunded priorities:

1. Increase wage subvention from the current UGX 880m per year to at least UGX 1.5bns per year. This would enable the Centre to

even pay the outstanding arrears, particularly the Part time Staff.

2. Funding for retooling of MTAC Ntungamo.
3. Funding for construction of a permanent home for MTAC Mbale.
4. Funding for the proposed Job Creation Awareness Training and Development and; Skills Development through Training and Establishment of Common User Facilities (Incubation Centres) In MTAC Regional Centres project. The total project cost is UGX 25.8bns over a span of 5 years.

5:0 Message to the Graduands

Dear Graduands,

There are far, far better things ahead than any we leave behind. The future belongs to those who believe in the beauty of their dreams. I am here to tell you that whatever you think your dream is now, it will probably change. And that's okay. Education is our passport to the future, for tomorrow belongs to the people who prepare for it today. Decide to ground yourself in values that last, like honesty, hard work, responsibility, fairness, generosity, and respect for others. Shun behaviors that embarrass humanity like homosexuality and lesbianism. If you have not, it is time to chase every dream, accept every challenge, strive for greatness, honor every promise, and recommit to your community. No matter what happens in life, be good to people. Being good to people is a wonderful legacy to leave behind. Savor the taste of your triumphs today, don't just swallow them all whole without digesting what is actually happening here. Look down over what you conquered and appreciate what God has brought you through.

I am really proud of your Class of 2024, and I cannot wait to see all your accomplishments in the next chapter. Congratulations to you all on your graduation. All of your hard work and perseverance have led you to this proud moment in your lives. Best wishes on your next adventure!

Thank you, parents, guardians and sponsors, for choosing MTAC, thank you graduands for choosing to study at MTAC and thank you dear guests for gracing our 10th Graduation Ceremony. MTAC will always be privileged to serve you.

6:0 Conclusion

Finally, I wish to appreciate the efforts of ministry officials particularly yourself, your colleague ministers and the technical staff in providing oversight and strategic guidance to us. This has kept us focused as an Institution and the evident growth signs are attributed to your immense support. May the Almighty God continue to bless you and your entire team abundantly.

I wish you success as proud alumnus of MTAC.
For God and My Country!!!

MESSAGE FROM THE ACADEMIC REGISTRAR

It is our pleasure on behalf of Management and staff of MTAC to welcome, our highly esteemed guests, families, guardians, friends, sponsors and above all our Graduands, to this memorable day and a milestone achievement in the lives of each one of us. It has been an atmosphere of excitement since this graduation announcement was made and this excitement has been about all of us represented here today. Congratulations!

We take this opportunity to thank Management, teaching and non-teaching staff for all the support that has made this day and dreams come true. Our dear parents/guardians are acknowledged for their never ending support. May God richly reward you.

Today as we celebrate each one of you and your individual academic achievements, it is the time when all those sleepless nights and hard work are rewarded and become worth all the effort. The discomfort and challenges that came along with this journey have made you a more stronger and confident person that you are today.

As MTAC fraternity we are so very proud of you. We are honoured to observe that these graduands, who came here one year or two years ago, some of them looking young and timid, have been groomed into responsible citizens, some already employed, while others are ready to face the world of work., We appreciate every form of contribution that was made that has made this celebration possible.

Congratulations once again and wishing you God's blessings.

RE: Congratulatory message from NASWU

Congratulations to all graduands of MTAC upon reaching this day in particular to those graduating with a Diploma in social work.

You made it! On behalf of social work profession, welcome. We look forward to helping you continue to build your professional capacity

Congratulations to all graduands of MTAC upon reaching this day in particular to those graduating with a Diploma in social work.

You made it! On behalf of social work profession, welcome. We look forward to helping you continue to build your professional capacity through information sharing and other learning opportunities that may arise to better serve and empower the weak in our communities.

As you receive your diplomas to become new practitioners, you are taking a flying lap into a new career, you are joining a team of important members of social work fraternity where you are expected to uphold the professional values and principles at work places, advocate for the weak and initiate social work projects in your communities for the betterment of humanity.

You can be proud that your professional body is ready to give you any necessary professional support and will be sharing quarterly newsletter to keep you updated about your profession and sharing opportunities as they may arise to make you more competitive and a better person in today's dynamic and competitive society.

When starting a new career, it can be challenging but as a professional body we encourage you to make an effort to do so. Offer time, talent, and treasure for our profession will pay off! Please don't fade into obscurity.

Show up. Stay engaged. Serve.

Yours in service

Andrew Luyombo. National Coordinator.
